TCS notes at 11:45 A.M.
 meeting on Cuba with the agency

10/16/62

MRSA leave date 2 new assignments, 1 with 14 months travel
 3, 5 months

A, evidence of nuclear warheads on island possibly 16-27
 1100 mile range

Paul: that set out of the country
 of course, it before any time passed
 1) fairly successful

- CIA's people in power - team
- and to create out with selling, but not

Talk emergency on celebration calling
 people from

American to country and development?
 calling in 200?

Council

Get - 200

MEXA

-- strike with missile, moderate, strong,
 airbases, etc., thousands of Cuban conscripts
 -- Filled greatly by invasion of mobilization
 -- Paul blockade (27/6) -- a continued surveillance on
 -- Reroute - transportation & economic blockade
